The Bank of Canada recently declared the recession over. And while there are signs that the economy is starting to take a turn for the better, however, the road towards a full recovery could be a rocky one. Come hear from the experts on what the current economic recovery looks like through the lens of Ontario's small businesses. CFIB has been a big voice for small business for over 35 years with over 105,000 members in every sector across Canada, including 42,000 in Ontario.
