

Occupational **Illness** and **Infectious Disease**

Awareness session for the
Construction Sector

Friday, December 2, 2011

9 am - 1 pm, 21 Voyager Court South, Etobicoke.

The Infrastructure Health & Safety Association (IHSA) is hosting this awareness session to provide an overview of the Ministry of Labour enforcement strategy relating to the Construction Sector Plan 2011 - 2012 on occupational illness and infectious disease. Representatives from the Ontario Association of Sewage Industry Services (OASIS) will demonstrate toilet and clean-up facilities available to a wide variety of construction projects. Industry experts will be on-hand to answer questions and provide valuable information to safety professionals, owners, constructors, employer and labour representatives.

Infrastructure Health & Safety Association (IHSA)

5110 Creekbank Road, Suite 400, Mississauga, Ontario L4W 0A1
Tel: 1 800 263 5024 • Fax: 905 625 8998

Together we're better

IHSA is the amalgamation of the Construction Safety Association of Ontario (CSAO), the Electrical & Utilities Safety Association (E&USA), and Transportation Health and Safety Association of Ontario (THSAO)

About IHSA

IHSA's vision is the elimination of all workplace injuries, illnesses, and fatalities within our member firms.

We engage with our member firms, workers, and other stakeholders to help them continuously improve their health and safety performance. We do this by providing effective and innovative sector-specific programs, products, and services.

We offer

- Training programs
- Consulting services
- Health and safety audits
- Publications and e-news
- Posters and stickers
- Reference material
- A resource-rich website
- Solutions to high-risk activities
- Due diligence solutions.
