Re: Invitation to Town Hall Meeting on May 5, 2023 - Municipal Wastewater Treatment Plant Upgrades Issues and Concerns

Dear Waste Management Professionals,

We hope this letter finds you well. As a valued member of the hauled sewage industry in Ontario, we are writing to invite you to a Town Hall meeting organized by the Ontario Association of Sewage Industry Services. The meeting will take place on May 5, 2023, at the **Victoria Road Recreation Centre – Birch Room located at 151 Victoria Rd N, Guelph, ON N1E 5H4 from 8:30am to 2:00pm**, and will focus on the topic of Municipal Wastewater Treatment Plant upgrades and their impact on your operations.

As you may be aware, there have been recent upgrades and improvements to the Municipal Wastewater Treatment Plants in our region. While these upgrades are necessary to meet regulatory requirements and ensure the protection of the environment and public health, they have also presented challenges for companies in the hauled sewage industry. These upgrades may have affected your ability to operate effectively and safely, and we believe it is crucial to discuss these issues and find potential solutions together.

The Town Hall meeting will provide a platform for waste haulers like you to voice your concerns, share your experiences, and engage in open and constructive discussions with fellow industry members, regulators, and other stakeholders. We will also have representatives from the Municipal Wastewater Treatment Plants to provide insights on the upgrades and their impacts. It will be an excellent opportunity to come together as a community and work towards finding practical solutions to the challenges you are facing.

We highly encourage your attendance at the Town Hall meeting on May 5, 2023. Your input and participation are vital in helping us better understand the challenges and identify potential solutions. We value your expertise and insights, and your presence will contribute to the meaningful discussions and potential actions that may be taken.

To confirm your attendance or if you have any questions or concerns, **Please RSVP your attendance by April 26, 2023, to numair.uppal@oasisontario.on.ca**. We look forward to your participation in this important event.

Thank you for your attention to this matter, and we look forward to seeing you at the Town Hall meeting.

Sincerely,
Ontario Association of Sewage Industry Services
