## Training Information

### Thursday, February 29, 2024

Time	Session
1:00pm – 5:00pm	<b>OHSA Supervisory Due Diligence – <i>Hilton Garden Centre</i></b> This session has been designed to increase your understanding of the principle of due diligence and provide you with tools to implement the concept of due diligence in your workplace. As due diligence becomes rooted in the general thinking of a workplace, one may expect a positive shift in safety performance and a strengthened workplace safety culture. Due diligence is an effective barrier to potential convictions related to health and safety.
1:00pm – 5:00pm	<b>Workplace Violence and Harassment - <i>Hilton Garden Centre</i></b> This training program will teach learners the legislative requirements and importance of a Workplace Violence and Harassment policy. Participants will also be lead through a review of the legislative provisions that prohibit violence and harassment in the workplace, as detailed in the <i>Occupational Health &amp; Safety Act (OHSA)</i> .

### Friday, March 1, 2024

Time	Session
8:00am – 12:00pm	<b>Training and Certification: Accident &amp; Incident Investigation – <i>Hilton Garden Centre</i></b> This training program has been designed to provide learners with accident / incident investigation theory which is then applied in hands-on scenarios. The program covers the purpose, value and benefits of an investigation, legal reporting requirements, and proven steps and techniques for conducting effective investigations.  Participants are equipped with the essential knowledge, skills and tools to conduct investigations and prevent costly recurrences. The investigation of accidents and incidents is a core activity within a functional health and safety program.
7:30am – 1:00pm	<b>Training and Certification: Portable Sanitation Best Practices Training (Module 1-3) – <i>Hilton Garden Centre</i></b> Only company representatives are required to participate in the training program. Please bring your laptops.
