WHY EXHIBIT WITH OASIS

Meet a focused market. Build real business.

Connect directly with the people who operate, supply, regulate and purchase solutions across Ontario's hauled sewage, septic and portable sanitation sectors.

About OASIS

Established in 1991, the Ontario Association of Sewage Industry Services represents and supports businesses serving the septic, portable toilet and biosolid land application industry.

OASIS works with government, associations and related sectors to support practical regulation, responsible operations and environmental sustainability across Ontario.

About the Conference & Trade Show

The OASIS Conference & Trade Show is Ontario's largest event dedicated to the hauled sewage, septic and portable sanitation industries. It brings professionals together to explore equipment, regulatory developments and smarter ways to operate and grow.

Why exhibitors choose OASIS

CONNECTIONS

Build face-to-face relationships with owners, operators, suppliers and decision-makers.

PRODUCT DEMOS

Let attendees see, compare and discuss your equipment, services and solutions.

VISIBILITY

Extend your presence through conference materials and OASIS digital channels.

EXHIBITOR VALUE Put your products and services in front of the people who use, recommend and purchase them.

AUDIENCE INSIGHT

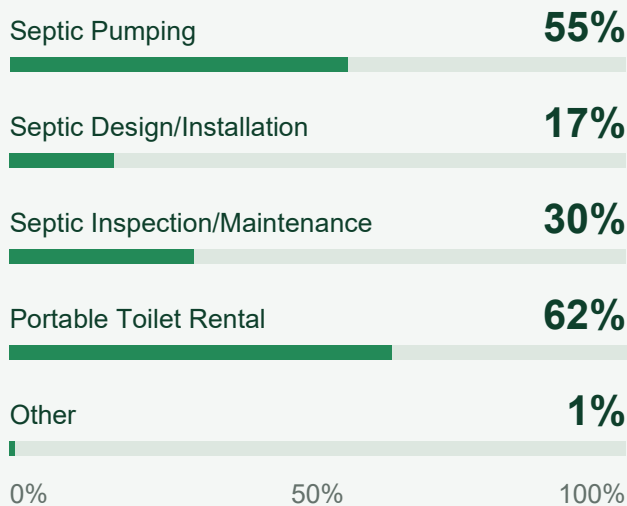

Who you will meet

Use the 2026 attendee profile and geographic mix below to plan an exhibit that speaks directly to the customers, partners and decision-makers most relevant to your organization.

2026 attendee demographics
